Excessively High Bids Cause Board to Refuse Contract on Fire House

Matter to be Carried Over To Next Regular Board Meeting

Two bids submitted for the construction of the new fire department building were found to be much higher than the estimated cost by the village board Friday evening and no action on the contract was taken. President George Bartlett said the matter would be carried over until the next regular meeting of the board in September.

The architect, Leonard J. Latz, had estimated the cost at about \$19,000 and the board was prepared to go above that amount slightly, but the lower of the two bids submitted was in excess of \$28,000 and the other bid was even \$10,000 higher.

Whether the firemen will be willing to omit some of the features of their proposed building to get the cost down or take some other course of action remains to be seen.

Hawk Breaks Down and Prevented from Entering Boat Race at McHenry

Antioch's mystery motor boat has been named "The Hawk."

But the naming had nothing to do with the boat's failure to compete in last Sunday's races at McHenry on Fox river. While warming up for the race the boat blew a piston leaving nothing but the connecting rod and the wrist pin.

The race thereafter was between the "Chickie" and the "Viking" with the Chickie traveling the 1.34 mile course for three laps in 4:46. The Viking took four seconds longer.

Sunday's race had more entries this year than any race with the exception of the Mineola hotel race. The dangerous course produced many thrills.

There will be no race in the Chain O' Lakes region on this weekend or Labor Day at the request of Ed Tweed, representing the waterways commission.

There will be a race at the Bohemia Yacht club Sept. 7, and the Commodore's race will be run Sept. 15 at the same place. The latter race will be between division I and II of Class E boats, and will be a grudge race.

Tenth District Club Federations Provide Ambitious Program

Plans for an ambitious season are underway for The Federation of Clubs of the Tenth Congressional District of Illinois. Officers and chairmen of the district together with presidents of all clubs in the district will get together on September 4 at the home of Mrs. William J. Borgen, president, near Richmond, Ill., for an all day outing and business meeting. Plans will be completed after the chairmen present their ideas as to how to make the coming season a successful one.

Mrs. F. Earl Welton, a former president of the Waukegan Woman's club, will give her program on "Dollary." Her approach is a religious one.

It has already been decided to hold all tenth district board meetings on the fourth Monday of each month at headquarters at 30 West Washington Street in Chicago. General meetings will take place at the Woman's Library club of Glencoe in November with the Woman's Catholic club of Wilmette assisting at the Woman's club of Wilmette in January with the North Town Woman's club as co-hostess, and at the Roger Park Woman's club in April with the Borwnson Circle assisting. This is a change from the usual procedure.

DIES IN CHICAGO

Clarence E. Ruthruff, for 20 years a summer resident of Lake Catherine, died in Chicago Monday, August 25 after a short illness. Funeral services were held at 2:45 Thursday at 2307 S. Laramie Ave., Chicago. Burial was in Mt. Auburn.

Survivors are his wife, Marie, two sons, Carl and George and one daughter, Mrs. Kenneth Stahl.

Mr. and Mrs. John Horan are vacationing in Fort Worth, Texas and Florida.

Burglars and Hi-jackers Busy in County Monday

Fossland's Service station and restaurant on Skokie highway at the Wisconsin-Illinois state line was burglarized of \$10,000 early Monday morning.

Obviously planned by someone familiar with the establishment, the burglars got the money from the safe while the proprietor was busy waiting on customers at the gas tanks.

Hi-jackers loaded up six slot machines on a truck at Jack and Vera's tavern at Round Lake beach early Monday and sped away just as a sheriff's deputy arrived. No identity to the thieves was learned.

Construction of School at Grass Lake Started; Old Building Now Used

Hess and Sons, Inc., Chicago contracting firm, is busy excavating and preparing the foundation for the new Grass lake grade school which the trustees hope to present to the district and its children on Christmas.

The contract price was \$120,000 which with the cost of the 19 acres of land and the water well will bring the total cost to \$132,000, the amount of bonded indebtedness of the district.

The building under the revised plans will have the lobby, library, and two classrooms with work rooms off both classrooms. The gymnasium and auditorium combination was necessarily omitted because of lack of money.

Members of the board are still hopeful that some public spirited citizen will provide the money for the auditorium which would be named for him or her.

While the new building is being built, the old building will be used. Because of the large number of pupils the school will be operated on two shifts. Mrs. Harry Greenlee who will have the lower grades and Mrs. Doris Mason Bray who will teach the upper grades have agreed to the two shift arrangement.

School will start next Wednesday but the schedules have yet to be worked out by the teachers, Forbrich said.

Only Five Lettermen on Antioch High Football Squad of 45 Aspirants

With but five letter men back on the squad this year, Coach Maurice Kruzan is attempting to whip together a team in opening the season Sept. 12 with Zion under the Antioch Township High school lights.

Forty-five boys appeared for practice, the number being more than Kruzan had complete equipment for, and although they are light in weight, especially for the line, they have a fair amount of speed.

But its the line that counts and Kruzan is not too optimistic at this time over winning many games.

The squad is practicing morning and evening over the five-day period each week. The Antioch field is almost like a pavement as the result of the early summer rains and the packing that the fair gave it. Fall rains will be necessary to put it into proper shape.

There will be two added inducements to the first game of the season. New bleachers seating more than a thousand persons have arrived and the spectators will get to see the Antioch band in new uniforms.

Thirty-six Contribute To Rescue Squad Fund During Past Seven Days

Thirty-six donors were added to the list of the Lions Rescue Squad fund by the committee this week, F. J. Bud Arnold, announced.

In the list is an out-of-state gift, The Willing Workers. Society of Trevor, having made its contribution. The donors are:

Joe Borovicka, California Ice and Coal Co.; H. Carmack; W. S. Darnaby; Fred Dorrence; Otto Fateynnek; W. F. Forbrich; T. E. Gillispie; Mrs. Chas. Griffin; Max Grunow; Nellie F. Harnly; Max J. Heep; Robt. H. Hess; O. L. Hollenbeck; J. Holmes; Lester J. Hybarger; Hazel & Louis Kassen; Fred Kimley.

Edward Knickelbein; W. H. Lemker; Wm. Lenz; Betty H. Matheny; Irene P. Norton; Margaret Perkins; W. C. Petty; Public Service Co. of No. Ill.; Red Arrow Inn; B. Regnier; Mrs. A. Savage; Shady Lane subdivision; Chas. Smith; Ed Smith; Hans Von Holwede; Harry S. Wallace; Chas. Wieneck; and Willing Workers Society of Trevor.

Labor Day

A Word of Warning to all Squirrels and Doves To Be Applied on Labor Day

To the Squirrels and Doves of Antioch Township:

Dear Friends, This is to warn you that starting Monday, Labor Day, your lives won't be worth a dried walnut unless you are careful.

For on that day, these two-footed animals who have been ignoring you and have even gone so far as to be friendly with you for sometime will turn upon you with shot and shell.

The hunting season opens Monday. My advice to you, unless you want to end on the dinner table of these ravenous pursuers, would be to hide back in the thicket as far as possible and stay there.

They tell me that the hunters are not going to use rifles, but will use shells with many bullets which make your chances of getting away all the more uncertain.

You doves, while you may feel reasonably safe sitting on telephone wires where these men are not allowed to shoot, ought not to take those chances because some of those hunters may not either know of the law or become willful law breakers.

Too, you are not considered a game bird like the duck and these hunters do not have to pay for that type of license.

While I'm told that hunters are not allowed more than five squirrels a day or 10 in their possession, or 10 doves, (I may be wrong) that doesn't matter much if you happen to be one of them, so beware. You won't be able to hear my "I told you so," if you don't.

Well here's luck to all of you. If perchance you live through it, Mr. Squirrel, remember me with an Easter egg next spring, and if not perhaps there will be enough of the mourning doves left to mourn with me.

Your Friend, The Editor

80 Compete in 38th Bldg. Material Golf Tourney Wednesday

Eighty members of the Northern Illinois Lumber, Coal and Building Material dealers association were on hand for the thirty-eighth annual golf tourney held at Chain O' Lakes Country club yesterday afternoon.

High point of the day's golfing came when A. J. Mallon of Cedar Rapids, a guest, shot the 8th hole of the course in one. Mallon is the guest of Wm. Brandt of Warriner's subdivision, and the hole in one is the second for the year at Chain O' Lakes, according to manager Fred Hawkins.

Max Mauerman was winner in the low gross division with a very creditable score of 77, and J. W. Bannon took second honors with a 79. Winners in the blind bogey were A. J. Vogel, 81; Jack Kramer, 80; Fred Fuhr, 80; Kenneth Hart, 80; and Chas. Peltion, 80.

A dinner at the clubhouse was enjoyed after the afternoon's golfing.

Anniversary Mass Planned

There will be an anniversary mass for Lieut. Anton J. Cermak Graham in St. Peter's church at 8:30 a. m. Friday, Aug. 29. Lieut. Graham was the son of Mr. and Mrs. Richard V. Graham of the Cermak estate, Channel Lake, and 1341 Park ave., River Forest, Ill., and the grandson of the late Mayor Anton J. Cermak of Chicago.

Schools Open Sept. 3; High School Students Get Books on Tuesday

School Day Shortened But New Buses Not Yet Arrived For Service

The mythical school bell will ring Wednesday, Sept. 3, at Antioch schools.

Antioch Township High school students have been asked to come to the school building on Tuesday, the day before to purchase their books. They may come at any time during the day or evening, Prin. T. R. Birkhead said.

With books purchased, the classes will start on regular schedule Wednesday morning and will be operating smoothly 30 minutes after they are started, Mr. Birkhead said. He added that students should come prepared to stay the day. The cafeteria will be open.

Although buses have been purchased, they have not arrived and parents will have to provide transportation for their children until such a time as the buses are delivered, which probably will be in November.

The buses will be housed in the east part of the barns on the school grounds which was vacated by the Lake County Fair organization in the storage of equipment.

Prin. Birkhead said the days schedule has been shortened 13 minutes in anticipation of the two round trips the buses will make when they are put in operation. School will be out at 3:18 p. m. instead of 3:31 p. m. as it was during last year.

The 13 minutes will be made up by shortening of home-room periods from 20 to 7 minutes and the time given to guidance during that period in the past will be taken care of by some other method.

Venetian Village Carnival Successful Citizens to Be Told Saturday Night

The regular meeting of the Venetian Village Civic Association will be held at Johnson's Fourth Lake Resort this Saturday evening, Aug. 30, at 8 p. m., L. C. Ross presiding.

The third annual Carnival just past was a success under the management of supervisor Dick Wapniarski, assisted by his wife and a corps of workers who raised net receipts to near the \$2,000 mark.

Roads are in good condition with the work of Commissioner Tony Krizan, Sr. A bus depot was erected near the Grand Ave., entrance. New piers have been installed at both Millmore and Sand Lake and plans are going on nicely for the new street signs to be added all over the subdivision.

Through a membership drive the list has grown to more than 150 and the largest in history thanks to chairman Zink and his entire board of executives of the Village.

Start Compost Pile Now Ray Nicholas Advises

Repetition often is the best way to get a point across, says farm adviser, Ray T. Nicholas, and that's true of the annual suggestion for gardeners to start a compost pile for use next spring. From now until fall, gardeners will be cleaning up their gardens, Nicholas says, and it's just common sense to use the refuse for making fertilizer than can be spread on the ground next year. Directions for making a scientific compost pile are available in the farm adviser's office.

Methodists Have Dinner As Reception for New Minister, G. R. Tuttle

One hundred and twenty members of the Antioch Methodist church and friends gathered at the church basement last Thursday evening bringing well-filled baskets for a potluck dinner serving as a reception to the new pastor, the Rev. G. Richard Tuttle and wife.

W. C. Petty served as master of ceremonies in introducing Mr. Tuttle to the crowd and the members to Mr. Tuttle and his wife. The Tuttles are a young couple and are preparing to start housekeeping.

Six Injured in Two Car Accidents Last Sunday in and Near Antioch

Two accidents in Antioch and vicinity Sunday in which out-of-town persons were injured called for medical attention from Antioch physicians and service from the Antioch Rescue squad.

Edmond P. Williams, 42, of 148 Pleasant Ave., Highland, suffered head cuts and bruises about the legs when the car which he was driving crashed into a utility company pole on Antioch's Main st., early Sunday evening.

Williams said he had a coughing spell which caused him to "blackout" momentarily and the car swerved across the road, hitting the pole.

Mike Cornell, 6, and Buddy Cornell, 9, of the same address, who were riding with Williams, suffered lacerations, bruises and possible internal injuries.

They were taken to the office of Dr. Breakstone by the Antioch Rescue squad.

Strikes Parked Car A car driven by Victor Mueller, 37, of 1015 Cambridge Ave., Chicago, crashed into the rear of a car parked on Grass Lake rd., near Rte. 59 Sunday afternoon injuring three persons.

Ruth Mueller, 27, suffered severe leg bruises, and her daughter, DeJores, 9, sustained a nose and cheekbone fracture, and internal injuries. Gene Harley, 45, of 12 S. Halstead St., riding in the same car, suffered a head injury.

The injured were taken to St. Theresa hospital where they were treated by Dr. Irving L. Breakstone, Antioch.

Driver of the other car was Vito Anello, 51, of 1953 W. Congress st., Chicago, who told investigating deputies that he stopped his car to obtain some travel information.

Report of Drowned Man in Cross Lake Causes Rescue Squad's Search

Sheriff's deputies of Kenosha county are discounting the idea that the body of a drowned man is in Cross lake as reported by Mrs. Helen Schade of Chicago, who said she saw it while swimming Monday.

The Antioch Rescue squad received a call from Cross lake about noon Monday saying that Mrs. Schade while swimming on the north beach with her young son about 50 feet from shore saw the body of a man in blue swimming trunks appear, then disappear.

Capt. Herman Holbek notified the sheriff's office at Kenosha, Wis., and the squad and four deputies started dragging the lake. The work was difficult because of the large amount of weeds.

Dragging was continued on Tuesday without success.

The sheriff was of the opinion that Mrs. Schade saw a log or some other object that looked like a man, for in his opinion a body once rising to the top of the water would remain there, and he said a thorough search of the shore was made without success.

School Administrators Attend Lunch Clinic at Waukegan High Today

The cafeteria managers of Antioch Township High school attended a school lunch clinic at Waukegan township High school today. Illness prevented Principal Birkhead from attending.

The clinic was conducted under the school lunch division of the state office of public instruction, and was opened by W. C. Petty, county superintendent. The audience studied food handling and care of equipment, menu planning and food preparation.

Specialists from the University of Illinois were present in giving instruction.

Lions' Carnival Starts Tonight with Big Crowd Expected All Four Days

Profits To Go To Rescue Squad and Various Community Projects

The lights will flash on at 8 o'clock this evening in the opening of the Lions club carnival providing entertainment for the community during the next four days ending Sunday night.

The rides of which there are five were set up yesterday and all concessions are ready for tonight's opening. The American Legion will have the refreshment stand and the V. F. W. will have a booth.

The Antioch Women's club is sponsoring a booth in a drive to obtain funds to be used for disabled veterans at the Downey Veterans Administration hospital. The chairman announced that the club will appreciate any aid from its members or others that can be given in the booth.

The carnival is sponsored by the Lions club in raising money for aid to the Rescue Squad fund and other worthwhile community projects that the club contributes to from time to time.

With continued fair weather a large crowd is expected each afternoon and evening.

The carnival is on the Ackerman grounds on Orchard st. Plenty of parking space has been reserved for the visitors.

Grade School Entrance Requirements Announced By Principal Whitacre

Children must be five years of age on or before Dec. 1, 1947 and furnish a birth certificate to be enrolled in the Antioch grade school kindergarten. Principal Richard Whitacre announced. School will start next Wednesday.

Children who are six years of age or will be on or before Dec. 1, may enter the first grade and will need no proof of age if they previously have presented birth certificates while enrolled in the kindergarten of the Antioch school.

Children entering the first grade who have not been enrolled in the Antioch school before this year must, however, give proof of age.

The kindergarten will be operated in the mornings from 9 a. m. to 11 a. m. and parents will be expected to transport the children who live at a distance from the school.

The approximate bus schedule for the grade school pupils will be as follows:

Channel Lake shores, 8 a. m.; Warriner's subdivision, 8:05; Dad's Shady Inn, 8:20; and grade school at 8:30 a. m.

McGreals, 8:35 a. m.; Otto Christensen, 8:40; Furlan's, 8:45; Berkiels, 8:48; Swenson, 8:53; and grade school 9 a. m.

In the afternoon the first bus will leave at 3:30, and the second bus going east will leave at 4 p. m.

Funeral Service Held At Des Plaines For Son Of T. E. Wetterman

Funeral services for W. James Wetterman, senior at Maine township high school, who was drowned in Deep Lake, while on a family picnic the previous Sunday, were held Thursday, Aug. 21, at Immanuel Lutheran church, Des Plaines.

The Rev. J. E. A. Mueller, of Mt. Prospect delivered a message of hope and encouragement, using as his text Jimmy's confirmation verse, "If ye continue in my word, then are ye my disciples indeed; And ye shall know the truth, and the truth shall make you free."

Mrs. Lois Carlson, of Park Ridge, sang "Beautiful Savior" and the 23rd Psalm which Jimmy, not too many years ago in Sunday school, memorized to earn a special award. Mrs. Lillian Hageman of Des Plaines was organist.

Pallbearers were six of his close boy friends.

Heat Wave Broken The heat wave that had persisted with temperatures near 100 for more than two weeks, was broken Sunday afternoon with scattered rains. The corn crop in Lake county still looks good and with more rain should produce well.

Bus Schedule Changed The American Coach Co., announced it will return to the winter schedule starting Sept. 2.

Roots Go Deep

The Attorney General has announced that his department will investigate alleged price-boosting conspiracies in certain commodity fields. But if hopeful consumers expect that this will result in major price drops they are due for disillusionment.

It is perfectly possible that the Attorney General will find instances of monopoly and illegal price-fixing. But, according to those who know most about the situation, they will be isolated and minor. The vast majority of prices are determined by competition—which means that they are an honest reflection of today's manufacturing and distribution costs. Every major item of expense which must be borne by the factories which make our goods and the retailers who sell them is at an all-time peak.

The roots of high prices thus go deep into the entire American economy. They are found in record wages which have been accompanied by a decline in production per man hour. They are found in the inflationary effect of great government spending, and in the burden of taxation. They are found in heavy buying of goods for Europe, which in some instances causes demand to exceed supply. They are found, too, in the desire of all segments of the population to get larger returns for less effort and service.

It is the Attorney General's duty to find and prosecute whatever monopolies may exist. But deliberate "combinations in restraint of trade" are rare exceptions in the intensely competitive America of to-

day—and they can have but small effect on prices.

When Socialism Comes to a Vote

Writing in the New York Times, John P. Callahan states that "indisputable support for the claims that the voters of the nation are tending away from municipal, or public ownership of power plants appears in a round-up of franchise election results held in thirty-four communities in thirteen states since January first, compiled by the Edison Electric Institute."

Only two of the thirty-four communities—5.9 per cent of the total—favored public ownership, while thirty-two favored the private power systems. On the basis of total vote, the sentiment against socialized power was overwhelming—556,999 to 3,368.

Since 1933, Mr. Callahan continued, the voting trend has been steadily away from public ownership. The single exception was 1938, when Federal grants led to a short-lived increase in the number of communities voting themselves into the power business. Thereafter, "the vote was consistently in favor of ownership by the business-managed power companies."

Of great significance, the voters have favored private enterprise in areas adjacent to great Federal power dams. For example one of the most important of the franchise elections took place recently in the state of Washington. The private utility was given a substantial majority. This, to quote Mr. Callahan once more, "was interpreted by observers on both sides as conclusive evidence that the people of that and other areas preferred private ownership."

To sum up, when the people are given a chance to vote they almost always reject socialism. Congress should remember that when it considers proposals to force socialism down the public throat.

If it's very painful for you to criticize your friends, you're safe in doing it. But if you take the slightest pleasure in it, that's the time to hold your tongue.

SALEM

Sunday, Aug. 17th marked another of these large family get-togethers of the Minnis family in America, descendants of the late James and Jane Minnis of Arbroath, Scotland. For many years it has been the pleasant custom of these relatives to meet annually at some central point, reminiscing, hand-clasps, and consuming vast quantities of food being the order of the day. This year the reunion was held at the old homestead near Brass Ball Corners, now the home of Mr. and Mrs. Frank Dixon. Mrs. Dixon is a grand-

daughter of the original pioneers. In the afternoon, there was a short business meeting to formulate plans for the next meeting. Robert Clark, of Berwyn, is president of the organization and Mrs. Robert Clark is secretary-treasurer. The oldest member, Mrs. Alex Clark, of Penfield, Ill., has been here the past week in anticipation of the event and other relatives began arriving Saturday, some remaining until Monday.

On the roster of members this year were the names of Mrs. Alex Clark and her daughter, Mrs. Milton Byron, of Penfield, Ill.; Mr. and Mrs. Orson Pierce and Mrs. Nellie Pierce, of Cleveland, Ohio; Mr. and Mrs. Jos. Knerr and daughter,

Elaine, Griffith, Ind.; Mr. and Mrs. Lem Minnis and Miss Sarah Smith, Glen Ellyn, Ill.; Dr. and Mrs. Guy Runkel, Baltimore, Md.; Mr. and Mrs. Arthur Minnis, Riceville, Iowa; Mr. and Mrs. Robert Clark, Berwyn, Ill.; Mr. and Mrs. Grant Minnis, Kenosha, Wis.; Mrs. Grace Durkin, her son, Vernon Durkin, Mrs. Lucia D. Orvis, Mrs. Guy Bergstrom, all of Chicago; Lee Minnis, Mr. and Mrs. Emil Scheerens and son, John, Waukegan, Ill.; Mr. and Mrs. George Mandernack, Leslie Ann and Carol, Racine, Wis.; Mr. and Mrs. Elmer Getka, Walter Lee, Vincent, Mary and Barbara, Slades Corners; Mr. and Mrs. Walter Teunas, Union Grove;

Mr. and Mrs. Harry Rhodes, Burlington; Mr. and Mrs. S. M. Cokeless Steels
Blast furnaces may cool off altogether as a result of a new cokeless steel making method developed in Russia. Shifted continuously between two smelting chambers at different regimes, the molten ore mass is said to turn into steel quicker and cheaper than in blast furnaces.

Replace FRAYED Cords NOW!

Puppies aren't the only ones who can harm themselves with worn-out electric

cords. The entire family, from infants to adults, are endangered by worn-out wiring.

Exposed wires are often the cause of blown fuses, wasted electricity and short circuits. Check your home for this common hazard and eliminate it.

Safe, adequate wiring is again possible after wartime shortages.

You no longer have to "get by" with makeshift, inferior wiring—replace every frayed

cord with a new one today. Educate each member of the family in this elementary

safety rule—never yank an electric cord—handle only the plug when disconnecting from a wall socket.

Antioch Soldier Takes Gurnee Girl as Bride in Service at Ft. Knox, Ky.

S/Sgt. Dean C. Hagen, son of Mr. and Mrs. Oscar Hagen, of Antioch, recently took as his bride Miss Geraldine Bonner, daughter of Mrs. Hans Hanboff of Gurnee, at the Hilltop chapel Ft. Knox, Ky.

The bride was given in marriage by her brother-in-law, James Bajorek of Waukegan. The couple was attended by Miss Vera Ranney, sister of the bridegroom, and S/Sgt. Leslie Gutzmann.

Lt. Peggy Miller sang "Because" preceding the ceremony which was performed by Lt. Col. Robert Mathison. During the ceremony Cpl. Roger Harrison played "The Bridal Chorus," Liebstraum, and the Mendelssohn wedding march.

A reception was given at the NCO club following the wedding.

Among the guests at the wedding were Mrs. Hans Hanboff, of Gurnee, Mrs. James Bajorek, of Waukegan, Mrs. Beatrice Burs of Gages Lake, and Mrs. Viola Nelson of Antioch.

Mr. and Mrs. Hagen will remain at Ft. Knox until September when they will go to Ft. Riley, Kan., where the bridegroom will attend Officers Candidate school.

Kuhaupt Observe 50th Wedding Anniversary With Dinner and Party

Mr. and Mrs. George Kuhaupt of 318 Park ave., celebrated their golden wedding anniversary Saturday, Aug. 23.

They had as guests 25 of their near relatives who dined at the Antioch cafe at 7 p. m. and then spent the evening at cards at the Kuhaupt home.

The Kuhaupt received many congratulatory cards and gifts honoring the occasion.
Mrs. Kuhaupt, formerly Miss Lena Schmah, and Mr. Kuhaupt were married Aug. 23, 1897 in Jackson, Wis., and have resided in Antioch 43 years. Mr. Kuhaupt was employed as station agent at Allington, Wis., before coming here to work for the Soo line. He retired after 50 years of service six years ago.

Following their wedding Mr. and Mrs. Kuhaupt took a trip to Yellowstone park and from there to the west coast, being gone a month. Those were the days when sightseers at the park were met at the station by a coach drawn by six horses and conveyed through the park in that manner.

Antioch Aces 4-H Club Ends Successful Year In Meeting and Picnic

The Antioch Aces 4H club held the last meeting of the club year at the home of the president, Betty Jean McDougall on Tuesday afternoon, Aug. 19. Talks and demonstrations were given by Adella Rentner, Patricia Wagner and Roberta Jaech. After the adjournment of the meeting a delicious picnic supper was served by Betty Jean and her mother.

4-H club members have done very well this year. At local Achievement Day which was held in the grade school on July 31, the seventeen girls modeled their garments before a large group of admiring parents and friends. On Aug. 6th at the County Achievement Day the girls had their garments judged and ribbons were awarded. The Antioch Aces were awarded nine blue ribbons and 3 red ribbons. Adella Rentner and Betty Jean McDougall were among the thirteen in the County who were picked to go to the State Fair. Betty Jean was chosen for the second consecutive year as an outstanding club member.

The club was awarded a white ribbon or grade of C on their booth at Gurnee. The girls decorated their own booth without any outside help. Their booth depicted the steps in making a garment from the cutting to the modeling of the finished product.

Finish up day for the club leaders will be held on Aug. 25 where all books must be handed in and graded.

Miss Marian "Dillie" Schultz left for New York today (Thurs.) for a vacation and visit. She plans to return September 10.

Miss Dorothy Bieser, of Kansas City, Mo., was the guest of Mr. and Mrs. Nathan Beiser for the past week.

Mrs. Andrew Small of Otis Resort, who has been very ill at the Condell hospital in Libertyville for the past week is improving.

Mr. and Mrs. Arthur Stevens and son, John, of Chicago, were Sunday guests of Mrs. Flora Leslie.

Soil Tests Will Show Fertilizer Needs on Most Farms Says Adviser

Farmers who are looking ahead to fall and spring applications of fertilizer should keep in mind that systematic soil tests are absolutely necessary to insure the application of the proper amount of the right kind of fertilizer, according to Farm adviser Ray T. Nicholas. He says trying to guess fertilizer needs is an expensive game and it's a waste of money to apply more fertilizer than needed or to apply the wrong kind.

A recent report by A. U. Thor, extension agronomist at the University of Illinois College of Agriculture, shows that 75 percent of Illinois' farm land needs phosphate, fifty percent of the land needs potash, and 50 percent still needs limestone.

This means that almost every farmer will find it profitable to determine his fertilizer needs and make arrangements to get the fertilizer ordered early.

Nicholas says soil samples can be tested at the county soil testing laboratory operated by the Lake County Farm Bureau. Farmers who have not taken soil samples before will want to follow directions available at the farm adviser's office. Fertilizer recommendations for the farm can be only as accurate as the samples.

Sale Restrictions
Under French law fourteenth century butchers could deal in one type of meat only and could see it only under natural light. Sales by candle or lamplight were taboo.

OPENING OF HOLY NAME SCHOOL

Holy Name school, Wilmet, Wis., will open the fall term on Wednesday, Sept. 3.

There will be open house on Sunday, Aug. 31, from 1:30 p. m. to 5:00 p. m. to permit the public to inspect the school and convent. The building formerly the George Faulkner estate has been entirely remodeled into a combination convent and school.

The building will be officially blessed and dedicated shortly after September 15.

The Sisters who will teach in the Holy Name school, are members of the congregation of the Blessed Virgin Mary, whose Motherhouse is in Dubuque, Ia. This congregation which devotes itself entirely to the education of youth, conducts elementary and high schools from coast to coast in the United States, two elementary schools in Hawaii, Mundelein College in Chicago and Clarke College in Dubuque, Ia.

The school principal is Sister Mary Aloisia, B. V. M. She was born in Philadelphia and educated at St. Mary's High school in Chicago and Clarke College in Dubuque, Ia. She has had eighteen years of teaching experience in elementary schools, and the past eight years has been teaching the eighth grade in New York where she successfully prepared pupils for the New York State Regent examinations. The principal will conduct the upper grades of the Holy Name school.

Sister Mary Regina Therese, B. V. M. is a native of Chicago, educated at St. Mary's High school, Chicago, Clarke in Dubuque and De Paul University in Chicago. Having spent fourteen years teaching in the elementary schools of Chicago, she is qualified by experience and education to conduct the intermediate grades of Holy Name school.

Sister Mary Verita, B. V. M. is also a native of Chicago, educated there at the Immaculata High school, Clarke College in Dubuque and St. Norbert's in De Pere, Wis. She has had special training in Primary work and for the past seven years has been

primary teacher of Our Lady of Loretta school in Hempstead, Long Island, New York. She will continue her primary teaching at Holy Name school.

The Sisters are prepared to assist the children to develop their ability in art and music.

Registration of children is being completed and parishioners are requested to contact Father H. J. O'Connor, pastor of the School principal prior to September 2nd.

Chilling Causes Large Percent of Pig Deaths

A recently completed survey of baby pig losses this spring shows that chilling was the number one pig killer in 1947, reports Farm Adviser, Ray, Nicholas. The survey of 11 of Illinois' greater swine-producing counties was made jointly by the College of Veterinary Medicine and College of Agriculture.

Nicholas says the survey shows that chilling caused 41 percent of the deaths. Nutritional problems accounted for another 25%, while a possible new disease may have taken a toll amounting to 17%. The final 17% of the baby-pig deaths were chalked up to miscellaneous losses.

Although chilling usually is not a factor in fall pig farrowings, Nicholas points out that the problem should be kept in mind next spring. Artificial heat, of course, is one of the answers to reducing pig losses from chilling.

Welcome Babies

Parents aren't the only ones who welcome the arrival of new babies. A baby, figures show, will eat approximately 675 cans of strained baby food during the first 12 months. Estimated food bill for the baby's first year runs between \$100 and \$200, which has been instrumental in increasing the baby food business during the past two decades to a 100 million dollars retail volume annually.

Wise Economy

It's smart to use the sturdy cotton fabric of many flour and feed bags for home uses. Shortages and high prices of textiles make the use of bagging a wise economy. This material is used by thrifty housewives for almost every fabric use. House dresses, children's clothes, dish towels and luncheon cloths are only a few of the many articles that can be made with the material.

Multiple-Use Apron

One of the latest clothing developments is a two-in-one apron, which is made to give the user knee protection when doing kneeling jobs and provides a spacious pocket in which anything from a packet of seed on up to a mess of turnip greens can be carried.

Stimulate Appetites

To stimulate jaded appetites, take special care to serve your dishes in an attractive manner and to season them so as to tempt the appetite. Use colorful combinations of food, serve crisp, green salads in meals with canned foods, use relishes and pickles as appetizers, use flavorings carefully and fresh garden herbs to add spice to the meal. Surprise the family with their favorite dishes.

SHORT STORY

Young
BladeBy
GLORIA FERSCHT

DANNY HALE, his teeth still chattering from the wet chill of the night, twisted his head on the soft warm pillow in an effort to speak. "Mom, I'm sorry, honest I am. I couldn't help it."

The tall blonde boy pulled the warm covers more closely around him. Two dimples, which he had not outgrown during his 15 years, were even now visible in his cheeks among several scratches and a deep gash slightly below his right eye.

It was not unusual for Danny to wander off by himself, especially

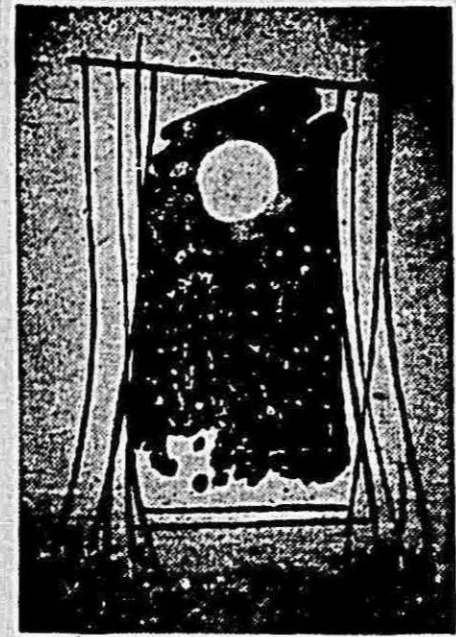

when he was angry or disturbed. He often spent the entire day swimming or boating in the lake, but he was never gone overnight. At one hour past midnight, Mr. Hale and a small searching party had found Danny lying on the beach, cold and wet.

Dr. Scott spoke softly to Danny as he applied an anesthetic to the boy's bruised face. "Are you warm, Danny?"

There was a curt reply. "Sure."

The experienced country doctor could see at once that Danny was straining himself to keep the tears back. "What's the matter, son? You can trust old Doc Scott, and surely you have no secrets from your parents. Where have you been? What have you been doing?"

Danny pulled himself up and leaned against the bedstead. His natural color was slowly coming to

She saw the long curtains fluttering in the open window.

his cheeks, but his eyes showed fright. He slowly parted his lips to speak. "I loved her so much."

The doctor showed no sign of surprise; he remained silent. It was Danny who did all the talking now.

"Mom and dad tried to keep it a secret from me. They wanted to take me to the city. They knew I loved her, just as I loved the country too." Danny's voice had a tone of grief. "Dad said I couldn't see her again. Jeanne has always been so good to me; I couldn't live without her. We always have picnics together, and she can swim as fast as I can. I loved to go bicycle riding with her too. Going to the city is bad enough but losing Jeanne is the worst."

Doctor Scott began to see clearly the whole situation. This 15-year-old youth knew what he wanted. Jeanne had been his constant companion. Mr. and Mrs. Hale had very suddenly decided to move to the city in order to open up a small business. They knew, however, it was out of the question to have Jeanne with them. The small apartment which they had rented was no larger than a cubby hole.

DR. SCOTT motioned for Mr. and Mrs. Hale to leave the room, and, after opening the window for some fresh air, he followed. Danny was falling asleep, but the old physician knew that it was a troubled sleep, a restless one, which might haunt the boy for many months.

"Doctor Scott," Mrs. Hale began, "my husband and I were wrong. I see it all now." She spoke slowly, a faint smile came upon her lips. "Danny's instincts are healthy, sound. He loves the woods, the lakes, the open fields." There was a short pause and then she added mournfully, "And he really loves Jeanne. I did not think a 15-year-old boy could possibly have so much love for anyone."

There was a sudden hush in the room and then a movement of feet. Mr. Hale, who had been silent all this time, now jumped up. "Doctor, in Danny's room, that noise."

"Quick! I left the window open. He is climbing out," the doctor replied. Mrs. Hale was the first to open the door.

She saw the long curtains fluttering in the open window, which framed a full moon and myriad stars.

One glance in the bed explained the noise and the black footprints which covered the neatly polished floor. Closely snuggled to Danny lay Jeanne, dripping wet and covered with mud. The dog had loved her young master enough to swim back across the lake and find the way home. Danny's eyes were filled with tears, big tears, full of love and joy.

LAKE VILLA

Rev. Dixon's sermon topic for next Sunday's worship service at 11 A. M., is very appropriately "Work". You are invited to this or any service at the Community church.

On Saturday morning at the Community church at 10 o'clock Miss Josephine Wittmer, of Grayslake and Mr. William Martin, of Chicago, were united in marriage by Rev. Dixon. They were attended by Mr. and Mrs. Arthur Kohl, of Sand Lake.

Rev. Dixon performed the ceremony of baptism at the Community church last Sunday afternoon for Delbert J. Borecky and sons, Harvey Gene and Gary Delbert, of Waukegan, also Howard O. Sorenson, Howard Edward Sorenson and Bonnie Lee Sorenson, of Lake Villa.

Mrs. Leonard Schneider entertained a number of little folks at a party at her mother's home, Mrs. Anna Nader's home last Saturday afternoon in celebration of Judy Schneider's fifth birthday and the little folks did not mind the heat at all.

Mr. and Mrs. Leonard Sawyer came out from Chicago last Saturday to visit Mrs. Sawyer's parents, Mr. and Mrs. Andrew McGlashan. Mrs. McGlashan is confined to her wheelchair the greater part of the time.

Mr. and Mrs. Clarence Blumenschein enjoyed having their whole family together over Sunday at their home as their son, Wesley, his wife and son were present from St. Paul. Gordon Blumenschein and family were there from South Bend, Ind., and their son, Kenneth, who lives at home had a guest, a former friend while in the service, Glenn Humphrey, of Los Angeles, making a nice family party. Mr. Tronson took pictures of the family during the afternoon.

The Lake Villa fire department was called to Millgate Farm, near Millburn last Sunday afternoon when lightning struck a straw stack and again during the night for a grass fire near the Reynolds estate.

Mr. and Mrs. Carl Ekdahl and Mr. and Mrs. Lloyd Awtell attended the horse show at the Milwaukee Fair last Thursday evening.

The ladies of the Sewing club enjoyed a luncheon and a social afternoon with Mrs. Lulu Nelson at her

home at Monville on Thursday of last week.

Mr. and Mrs. Gust Ekdahl entertained Mr. Ekdahl's sister from Chicago a part of last week.

Billy Scanlon, of Chicago, spent from Saturday until Tuesday with his aunt, Mrs. Stella Pedersen, on Oak Knoll Dr.

Mr. and Mrs. Lester Hamlin spent from Thursday until Saturday last week on a trip into Michigan. Mrs. Hamlin's mother, Mrs. Narita, of Waukegan, stayed at the Hamlin home during their absence.

The firemen carnival held over the weekend at Lehmann park, drew a good crowd every evening and everyone found plenty of amusement. The water fights each evening between the various fire departments proved very interesting, especially to the Chicago visitors.

The Woman's Society of Christian Service will meet Wednesday, Sept. 3, at the village hall and Mrs. John Meyer and her daughter, Mrs. Wagner will be hostesses. Dessert luncheon at 1 o'clock followed by business meeting at 2 p. m. Visitors are welcome.

School will open Wednesday, Sept. 3 and the teachers will attend the Teachers Institute in Waukegan on Tuesday. Those pupils living in the Monville and Sand Lake districts will be picked up on the early bus during the first month, which leaves Lake Villa about 8 o'clock, and the Cedar Lake pupils will be picked up on the later bus. The hot lunch program sponsored by the district will not be in operation until Sept. 20, at least, and plans are being made for this program. Mrs. Norma Shreve, of Waukegan, has been secured as teacher for the Cedar Lake school, caring for the first five grades of the district.

The Halcyon club of the Community church presented its second annual style show at the school gym

last Wednesday afternoon, Aug. 20, to a full house in spite of the intense heat. They called it "Fashion is Fun" and presented an entertaining program in addition to the styles in dresses, hats, and coats from Hein's store in Waukegan. Modeled by local people as well as those from the Hein's store. Local models were Nancy Cribb, Arden and Danny Maier, Charlene Ekdahl, Jacklyn Martin, Enid Karollus and Joanne Midgley for the juvenile fashions, and Mrs. Wm. Weber, Mrs. Don Cremin, Mrs. Robert Steffens, Mrs. Elmer Bray and Mrs. Joseph Mack modeled ladies' fashions besides Anna May Meade, Esther Wendell, Judy Singer and Mrs. Irving DeGrote of the Hein store. Mrs. Paul Avery, Jr., pres. of the club sang with Mrs. Grace Timmermann at the solovox and Jill Mahoney gave two dances with her mother at the piano. Following the style show, local people engaged in a hat contest, both pretty and comical

which created quite a lot of interest and Mrs. Jedlick of Crooked Lake was awarded the prize for the prettiest and Mrs. Ada Barnstable for the most comical one. Other prizes were awarded and the girls served coffee and cookies during the social hour, which followed. The heat kept many from attending, but those who did

come enjoyed it very much and hope for another one next year.

Mr. and Mrs. Joe Petru, Misses Ann and Libbie Petru and Mr. and Mrs. Paul Ott and baby, all of Chicago, spent Saturday night and Sunday with Mrs. Marie Hamlin.

Mrs. Frank Wood, who spent the past two months with her sister in Vancouver, Wash., has returned to re-

sume her duties at Allendale school. Mrs. Mayme McLaren from Florida, spent the past two weeks with her mother, Mrs. Riney, and Charles Bennecke, also from Florida, came to join his wife and baby at the Riney home and to visit his parents, Mr. and Mrs. Charles Bennecke, Sr.
